**UNOPPOSED MOTION FOR EXTENSION OF TIME FOR THE
PARTIES TO COMPLETE MEDIATION AND FILE RESPONSIVE PLEADING**

Defendants Quantasy, LLC, Quantasy & Associates, LLC, and William Campbell (the “Quantasy Defendants”) respectfully request an Order from this Court permitting and directing the parties to schedule and conclude any prospective mediation no later than May 17, 2024. Plaintiffs have no objection to this request.

Since the Court’s last status conference, the parties have been working diligently to perform the steps necessary to schedule and prepare for mediation. Root has arranged for a prospective mediator and has found dates during which the parties are available for a mediation, and Quantasy has been working with its carrier to ensure that it has the information it needs to participate in any mediation. The carrier’s review is underway, and it has requested additional time to assess the matter. The parties agree that a mediation should be completed by May 17, 2024.

Accordingly, the Quantasy Defendants request an extension of time to schedule a mediation, which will be completed no later than May 17. The parties also request that the Court extend the stay of the date to answer or otherwise plead as to Quantasy’s Counterclaim and Cross-Claim. Finally, the parties request that they be permitted to file a status report with Court within

two business days following the conclusion of the mediation that will report on the outcome of the mediation and, if necessary, propose a date by which an answer or other response to Quantasy's Counterclaim and Cross-Claim must be filed, subject to this Court's approval

Respectfully submitted,
